To Whom it May Concern:

My name is Sylvia Allewelt and I am an actor who has had the privilege of working with the director, Victor Kline. In 2007, Victor directed Love.com and Just Another Saturday Night, both of which I participated as a cast member. Victor's method of directing was refreshing as he listened and was supportive to the actor's process. During rehearsal I was encouraged to stretch my abilities and take risks, which gave added dimension and depth to my performance. I was always confident of Victor's clear approach to the material; his vision was unique and focussed.

My hope is that I have conveyed my experience working with Victor to the reader of this recommendation letter. It's a wonderful thing to be able to work with someone who has such a strong set of directorial skills.

Sincerely,
Sylvia Allewelt
