To whom it may concern,

I have worked with Victor Kline in a number of theatre groups and greatly respect his abilities as both director and writer.

Victor is an insightful writer/director, who always manages to draw out the strengths of his team. He has the ability to ask the right question at the most appropriate time.

Victor Kline is a very talented and approachable man, and would be a great asset to any ensemble. I highly recommend him.

Please feel free to contact me should you require any further information!

Sincerely,

Leof Kingsford-Smith
